Physical description / medications / other

Last week I ask a neighbor to keep my dog because she was so obsessed with her because it looked like her dog who recently passed. And because I had to work 4 day event at my security job. I tried giving her the bed and cage so she wouldn't have trouble with her pooping and weeing every were , she said she did not need it. She called me today 11/18/19 and ask me to call Miami dade animal service sign her to her because she wanted to travel and wanted grace to go with her I told her I will not do that. And ask her was she trying to buy my dog ? She said I gave it to her. I said yes but I didn't GIVE you her to keep. I thought she wouldn't mind to watch her because she love to see her every time I take her on walks. So make long story short. She said if I want my dog back I would have to pay her. And that she was gonna take me to court for the money that spent on the dog. I'm sure it was a misunderstanding when I give it to her she maybe think I gave it to her to keep. Now she is threatening

me to take me to court to pay her the money she spent buying the dog accessories. I Just want my baby back.

Very Nervous
